Southern Region EOC

Level 2

"POTENTIAL" Public Safety Power Shutoff (PSPS) Events for San Diego Gas & Electric (SDG&E)

The California State Warning Center (CSWC) received notifications from Southern California Edison (SCE) and San Diego Gas & Electric advising they have notified customers of a *potential* Public Safety Power Shutoff (PSPS) due to an offshore wind event and critical fire weather conditions. CSWC has made notifications to State and Law Enforcement Agencies.

- The Cal OES State Operations Center is monitoring.
- SDG&E
- Per CUEA as of 11/14/18, 1400 hours, there are approximately 14,525 SDG&E PSPS outages.
- SDG&E Emergency Operations Center (EOC) remains activated at Level 2 for the Red Flag Warning event. The Red Flag Warning for the entire SDG&E service territory is in effect through 1700 hours on Wednesday, 11/14/18.
- Operational Period 7 is expected to report at the set time of 1700 on Wednesday, 11/14. However, there is a high likelihood that the activation level will be de-escalated to a Level 1 between 2100 – 2300.
- Operational Period 8 is expected to report at the set time of 0500 on Thursday, 11/15 to continue the restoration effort until complete.
- Per CUEA as of 11/13/18 1647 hours:
 - SDG&E is developing a plan for Wednesday and Thursday to re-energize the remaining circuits in a quick, smooth and safe way.
 - Full restoration should be complete late Thursday, depending on the wind. In some areas, with wind between 28 and 35 MPH, they are unable to deploy helicopters for air patrol so there will be ground patrols only in those areas.
- 40 circuits, 8 tielines, and 4 substations are currently de-energized for safety impacting 24,159 customers.
- 22 circuits that were de-energized for safety were re-energized today restoring 1,651 customers.
- 9 circuits are currently without service due to forced outages not related to PSPS events impacting 3,120 customers.
- A patrol and restoration plan has been established with Meteorology, Fire Coordination, Electric Distribution Operations, Electric Grid Operations and Electric Regional Operations.
- Patrols and restorations will continue to take place as conditions allow until all customers are restored.
- Communications have been made as customers are restored for all circuits.
- 29 contract firefighting crews are staged throughout the SDG&E service territory for this event.
- Six Community Resource Centers (CRCs) will be activated from 0800 to 1800 through Thursday, 11/15/18 to provide up-to-date information on outages, water, snacks, and phone charging services.
- **Deployments**
- 1 Cal OES Southern Region Senior Emergency Services Coordinator (ESC) is deployed to SDG&E EOC. (Demobilized)

SITUATION SUMMARY

- SDG&E (Continued)
- De-Energized Circuits: Affecting a total of 10,822 Customers; to include 254 Medical Baseline Customers
 - Circuit 357 (357-1299): Affecting 10 customers. Area of Anderson Valley ([Re-energized](#))
 - Circuit 79 (79-779R): Affecting 20 customers; 2 medical baseline. Areas of Descanso, Mt. Laguna and Viejas, San Diego County
 - Circuit 1215 (1215-12R): Affecting 210 customers; 5 medical baseline. Areas of Boulevard and Japatul, San Diego County
 - Circuit 445 (445-23R): Affecting 346 customers; 19 medical baseline. Area of Boulevard, San Diego County
 - Circuit 440 (440-13R): Affecting 261 customers; 3 medical baseline. Area of Japatul and Mt. Laguna, San Diego County
 - TL626 (TL626): Affecting 2 customers. Area of Wynola, San Diego County
 - Circuit 222 (222-1370R): Affecting 390 customers; 11 medical baseline. Areas of Banner, Harrison Park, Mesa Grande, Ramona E, SD County Estates, Wynola and Wynola N, San Diego County
 - Circuit 79 (79-673R): Affecting 68 customers; 4 medical baseline. Areas of Descanso, Mt. Laguna and Viejas, San Diego County.
 - Circuit 222 (222-1364R): Affecting 1,020 customers; 32 medical baseline. Areas of Banner, Harrison Park, Mesa Grande, Ramona E, San Diego Country Estates, Wynola and Wynola N.
 - Circuit 220 (220-294R): Affecting 295 customers; 6 medical baseline. Areas of Mesa Grande and Wynola N, San Diego County.
 - Circuit 73 (73-765R): Affecting 368 customers; 24 medical baseline. Dehesa, Descanso, Japatul and Viegas, San Diego County.
 - Circuit 78 (78-26R): Affecting 267 customers; 16 medical baseline. Viejas, San Diego County.
 - Circuit 157 (157-75R): Affecting 341 customers; 15 medical baseline. Barrett Lake, Jamul East, Portrero, San Diego County.
 - Tieline (TL 6923): Affecting 1242 customers. Barrett Lake, Jamul East, Portero, San Diego County
 - Circuit 79 (79-685R): Affecting 5 customers; unknown medical baseline. Descanso, Mt. Laguna and Viegas, San Diego County.
 - Circuit 237 (237-30R): Affecting 318 customers; 7 medical baseline. Santa Teresa Area, San Diego County.
 - TL625 (TL625): Affecting 1067 customers. Areas of Boulevard, Dehesa, Descanso, Japatul, Mt. Laguna and Viejas, San Diego County.
 - TL625 (TL625): Affecting 871 customers. Areas of Boulevard, Dehesa, Descanso, Japatul, Mt. Laguna and Viejas, San Diego County.
 - Circuit 214 (214-581R): Affecting 359 customers; 14 medical baseline. Areas of Mesa Grande, Palomar Mnt., Valley Center, Valley Center E Cuca Ranch, San Diego County.
 - Circuit 75 (75-1744R): Affecting 16 customers. Areas of Jamul East, Jamul West, Otay Mesa, Potrero, RHO SD W, San Diego County.
 - Circuit 445 (445-21R): Affecting 169 customers; 7 medical baseline. Boulevard area, San Diego County
 - Circuit 221 (221-19R): Affecting 3 customers. Banner, Borrego, Wynola and Wynola N, San Diego County
 - Circuit 449 (449-16R); Affecting 46 customers. Japatul and Potrero, San Diego County
 - Circuit 221 (221-42): Affecting 1,422 customers; 5 medical baseline. Banner, Borrego, Wynola, Wynola N, San Diego County.
 - Circuit 221 (Gen): Affecting 82 customers. Mesa Grande and Wynola N, San Diego County.
 - Circuit 221 (Gen): Affecting 8 customers. Mesa Grande and Wynola N, San Diego County.
 - Circuit 220 (220-288R): Affecting 30 customers; 7 medical baseline. Mesa Grande and Wynola N, San Diego County.
 - Circuit 211 (211-279R): Affecting 289 customers; 20 medical baseline. Warner Springs and Wynola N.

SITUATION SUMMARY

- SDG&E
 - Circuit 1100 downstream of AR-12KV-1100 affecting 2001 (62 MBL) customers at 0456 in the San Bernardino, Rancho Penasquitos, Circuit 1250 (OV-12kV-1250) affecting 993 (41 MBL) customers at 0533 in the Olivenhain area of Encinitas.
 - Circuit 182-257AE affecting 2509 (119 MBL) customers at 0539 Olivenhain area of Encinitas.
 - Circuit 908 (VC-12kV-908) affecting 1743 (67 MBL) customers at 0706 in the Valley Center area.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 1	Preparedness Level 4	Preparedness Level 4
	Multi-Agency Coordination System MACS Mode: 3	Multi-Agency Coordination System MACS Mode: 3

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Preposition of Cal OES and Local Government Resources

Cal OES Fire and Rescue staff are coordinating with local Operational Areas (counties) to preposition fire apparatus and personnel to augment local resources in preparation for the current Red Flag fire weather event. Staffing will be evaluated every 12 hours and extended as necessary until conclusion of the weather event/need.

- Region I
- Orange County: CA-OES-201867: (3) Strikes Team (10 Engines) of Local Government Engines and (1) Type 1 Local Government Water Tender. Units will be staged at the Orange County Training Center (extended to 11/13/18).

Cal OES EMAC Missions

- **2018-SOC-53295:** California requested 100 Engines for 20 Strike Teams or Task Forces (Preferably Type 1 or 3) and sent a private blast to 9 States in the following FEMA Regions: XI, XIII, IX, X. [The resources from the following states are currently in California: Idaho, Montana, New Mexico, Oregon, Texas, Utah and Washington.](#) A continual assessment of resource needs is on-going. If conditions change or resources needs are not met, California will send additional private broadcasts to additional EMAC States.
- In addition, Nevada provided a forensic team to provide support in Butte County.
 - Oregon - 85 engines (Assigned to Camp Fire)
 - Washington - 45 engines (Assigned to Woolsey)
 - Utah - 26 engines (Assigned to Woolsey)
 - New Mexico - 7 engines (Assigned to Woolsey)
 - Idaho - 6 engines (Assigned to Woolsey)
 - Montana - 20 engines (assigned to Woolsey)
 - Texas – 55 engines (15 Enroute – 40 on scene)
- **2018-SOC-53946:** [A forensic team of 4 people, from Nevada, is on-scene providing support to Butte County.](#)
- [In addition, California requested Individual Assistancess Subject Matter Experts to provide assistance in Northern and Southern California.](#)
- [National Guard is providing 7 personnel and equipment to conduct aerial damage assessment in Butte County.](#)

Schools

- Ventura County Office of Education Schools classes are anticipated to resume today, 11/13/18.

Critical Infrastructure

- See Woolsey Fire
- Damage Assessment Teams have completed their work on the Hill Incident and Restoration Groups will be aggressively engaged with infrastructure restoration on both transmission and distribution structures.

Law Enforcement Mutual Aid (LEMA)

- [20 Officers for 11/15/18 0600 – 1800 only.](#)

Recovery

- Preliminary Damage Assessments
 - Los Angeles County - Fire Department and OEM coordinating damage assessments with geocoding for damaged and destroyed properties; approximately 150 homes burned. Damage assessments are continuous.

FIRE ACTIVITY

SOUTHERN REGION (Continued)

Woolsey, Vegetation Fire, Ventura County

Location: I-99 3rd St. Rocketdyne, South of Simi Valley

Jurisdiction: Local DPA, SRA, Ventura County Fire

Per Cal OES Duty Officers and ICS-209 as of 11/14/18 at 1920 hours:

- 98,362 acres grass and brush, 52% contained
- Forecasted winds and poor overnight relative humidity recovery pose a risk to containment lines
- Steep terrain, roll out of burning material and windy conditions will continue to challenge containment efforts in the Malibu Canyon Drainage
- Continued threat to structures
- CALFIRE IMT- 5 in command
- 426 single residences, 1 multiple residence, 2 mixed commercial residential, and 6 other minor structures destroyed
- Expected containment: 11/15/18
- Moderate fire behavior with flanking and backing
- Threats continue for oil shipping pipelines, cultural sites, power distribution lines, Castro Peak radio communication site, and Point Mugu Naval Base
- Damage inspection is ongoing

Activations

- Ventura County Emergency Operations Center (EOC) is activated at Level 2 with A and B shifts. They will reevaluate the need for a B shift this afternoon with the possibility of going to Duty Officer Status.
- Southern Region Emergency Operations Center (SREOC) activated at Level 2
- City of Thousand Oaks activated at Level 3 (lowest) on 11/09/18 at 0100 hours
- Los Angeles County EOC activated at Level 2 as of 11/09/18 at 0900 hours
- City of Los Angeles EOC activated at Level 3 (lowest) on 11/09/18 at 1200 hours
- The following cities are activated: City of Agoura Hills, City of Calabasas, City of Malibu, and City of Santa Monica
- The Medical and Health Coordination Center (MHCC) activated Level 3 (lowest)

FIRE ACTIVITY

SOUTHERN REGION (Continued)

Woolsey, Vegetation Fire, Ventura County (Continued)

Critical Infrastructure

- Per CUEA as of 11/14/18 at 1507 hours, CUEA reported 6,600 SCE electric power outages.
- 18 AT&T sites, 30 T-Mobile sites, 3 Verizon, and 15 Sprint sites down.
- On 11/11/18, CUEA advised that CUEA Spectrum (formerly Charter Spectrum), which provides cable television, internet and home phone service to homes and businesses, has been impacted to the Woolsey Fire. Affected service areas include Oxnard to Thousand Oaks, and down to Malibu. T-Mobile and AT&T are to provide roaming service from their towers, Spectrum has not provided outage numbers, other providers are picking up some service presently.
- SCE's Air Operations has coordinated and began an aerial patrol, as 11/11/18 at 0616 hours, of the affected circuits in the Malibu area, within the Woolsey Incident TFR.

Law Enforcement

- 3 confirmed fatalities
- 31 CHP Officers

Recovery

- Ventura County plans to conduct the following community meetings (more details to follow):
 - Wednesday (11/14/18) @ 1800 in Thousand Oaks
 - Thursday (11/15/18) @ 1800 in Oak Park
 - Friday (11/16/18) @ 1800 Malibu Area (Ventura co portion)
 - Saturday (11/17/18) @ 1300 in Bell Canyon
- Ventura County is currently working on a Local Assistance Center (LAC) / Disaster Recovery Center (DRC) plan with California Lutheran University being identified as the preferred site. Estimated opening day of the LAC would be Thursday (11/15/18).

California 911 System

CA 911 Outages		
Northern California	Central California	Southern California
911 Outage	No 911 Outages	No 911 Outages

Service Interruptions

- None reported

Paradise Verizon Wireless Network Outage, Butte County

On 11/14/18 at 1407 hours, Cal OES CUEA advised that Verizon Wireless (VW) will need to off-air the sites they currently have operational in Paradise for at maximum a two hour duration from 0000 to 0200 tonight.

- VW will have people expedited in place on all sites working this to make the outage as quickly as possible.
- This will allow VW to continue restoration efforts in the Paradise and Magalia areas.
- This will NOT impact SPOT units already deployed at the Morgue location, Paradise PD, and fire stations in the area.
 - They will operate independently for the duration.

Remote/Community Isolations

Paradise Pines Community Isolation, Unincorporated county area Butte County

On 11/14/18 as of 1558 hours the CA 911 Branch reported customers served out of the Paradise Pines, CA Central Office are unable to make 911 calls due to a network event.

- There are 3,2999 landlines impacted.
- There is no impact to Wireless 911 calls.
- Reason for outage is unknown.
- There is no estimated time of restoral.

Paradise Central Office Community Isolation, Butte County (Final)

On 11/09/18 at 0821 hours, the CA 9-1-1 Branch advised that customers served out of the Paradise main CA Central Office with phone numbers beginning with 530-872, 530-876, 530-877, are unable to make 9-1-1 calls.

- This community isolation was due to the fire aka Camp Fire.
- The AT&T radio/microwave team used bandwidth from the microwave system to restore the network connections.
- A successful 911 test call was placed to Chico PD.
- As of 11/14/18, 1018 hours, the Paradise Main Host Central Office has been restored.

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

WEATHER OF CONCERN

Northern California

- Dry conditions with smoke locked in the valley impacting air quality and visibility will persist.

Southern California

- Local critical fire conditions will continue Thursday. Winds will decrease, but remain breezy in wind prone canyons of Ventura and LA County. Extremely low RH values will continue through Thursday, with minimum humidities in the single digits to lower teens.

Weather Advisories, Watches, and Warnings currently active in California:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca>

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

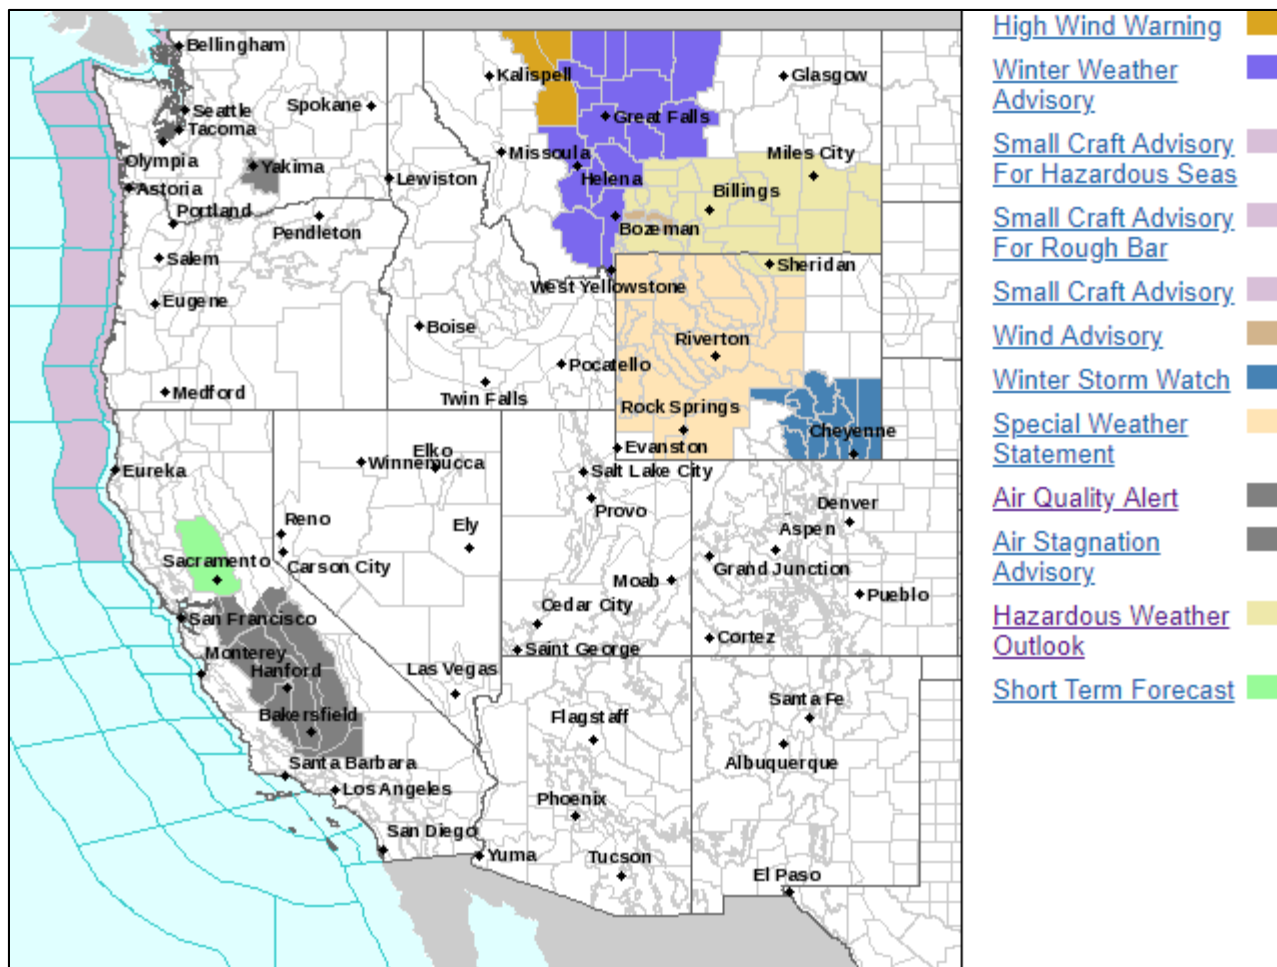

- *** Very dry conditions to continue through Monday, with areas of moderate night/morning N-NE winds ***
- High pressure will continue to produce warm, dry conditions through Monday.
- Night/morning N-NE gusts to 20 mph, local gusts to 25-30 mph in wind-prone spots from the western Cascade-Sierra slopes to the Coast Range through Monday. Light upslope/up-valley winds during afternoons.
- Afternoon Relative Humidity (RH) will be low (5-15%) most afternoons this week with poor overnight recovery (10-25%) in many areas, particularly mid and upper slopes. Some valley locations that have been very dry may see RH will increase in a few days to afternoon mins of 15-20% and overnight recoveries of 25-35%.
- Afternoon high temperatures will continue 5-10 degrees above seasonal normals with warmest inland areas mostly in the mid 70s. Overnight lows will be pretty close to seasonal values, and overnight frost/freezing conditions are likely to become a bit more widespread.
- Onshore flow, deeper marine layer and higher RH developing Tuesday. Widespread rain and high elevation snow becoming more likely Wednesday/Thursday.

SOUTHERN CALIFORNIA

- The ridge of high pressure over California will weaken through this weekend. A weak area of low pressure will approach Northern Baja Monday and move inland Tuesday.
- Northeast winds of 15 to 25 mph with gusts to 40 mph will surface across the mountains and below the canyons and passes of Southern California through this afternoon. Local gusty offshore winds will continue over the most wind prone areas of Southern California this evening through Thursday morning. Winds will be light across the entire region Thursday afternoon through early next week.
- Widespread single digit minimum humidity will continue through Friday and then there will be a slow increase in humidity this weekend through early next week. Very poor overnight humidity recovery will continue through Thursday.
- Temperatures will be near to a little above normal through this weekend, with mid 50s to mid 60s across the mountains and 70s to low 80s in the valleys.
- Temperatures will cool to a little below normal early next week
